

INSTRUCTIONS TO OFF-ICE OFFICIALS:

Introduction:

Under the Hockey Canada (HC) Official Hockey Rules, the Off-Ice Officials include the Official Scorer (scorekeeper), Game Timekeeper, Penalty Timekeeper, and two Goal Judges. For Minor Hockey games, there are generally two Off-Ice Officials - the Scorekeeper and the Timekeeper. The Off-Ice Officials are officials of the game and are entitled to be treated with courtesy by the participating teams, spectators, and their fellow officials. By the same token, Off-Ice Officials should conduct themselves in a professional manner and refrain from criticizing the work of any of their fellow officials, including the On-Ice Officials.

Off-Ice Officials are under the supervision of the Referee, who is in charge of the game. The Referee shall have full authority and the final decision in all matters under dispute.

General Duties:

SCOREKEEPER:

1. Ensure the "Official Game Report" (scoresheet) is properly filled out by the participating teams, including (i) the date, location, game number, names of participating teams, and other information at the top of the scoresheet; (ii) the names and numbers for all participating players; and (iii) the names of team officials for the participating teams.
2. Enter on the "Official Game Report" (scoresheet) an accurate record of the **goals scored**, including (i) the time of the goal, (ii) the number of the player who scored the goal, and (iii) the numbers of the players to whom assists are to be credited (if any).
3. Keep an accurate record of all **penalties** assessed, including (i) the number of the penalized player, (ii) the infraction, (iii) the duration of the penalty, and (iv) the time the penalty was assessed.
4. Advise the Referee when the same player has received his/her second 10-min. Misconduct of the game or third stick infraction penalty of the game.
5. Record goaltender's saves (actual shots stopped).
6. At the end of the game, summarize the scoresheet information, sign the scoresheet, and present it to the Referee for verification and signature.
7. If possible, learn the standard referee signals for the different penalty types.

Equipment - 2 ball point pens (do not use felt pens or pencils), a notepad, and a clipboard or other hard backing on which to place the scoresheet.

TIMEKEEPER:

1. Be familiar with operation of the arena score clock.
2. Ensure the time of the game is accurately kept. Ensure that the clock starts each time play commences and stops each time the referee or linesmen blow the whistle to stop play.
3. Ensure penalized players serve their correct penalty time and return to play when entitled to do so after the expiration of their penalty. Report to the referee if a player leaves the penalty box before he/she is entitled to do so.
4. Ensure the score of the game and penalties are accurately displayed on the score board.
5. Keep the penalty bench and the immediate area free of spectators.

Equipment - ball point pen, notepad, and wrist watch (in case of clock failure).

Scoresheet Language:

- Clarity and brevity are important.
- Print clearly and firmly - you are making 3 carbon or NCR copies.
- Utilize a standard code for penalty types (see abbreviations below).
- Record player numbers only (not names) for goals, assists, and penalties.
